Don't Use Unknown Wi-Fi and Safeguard Your Digital Keys

SUPER: Keep your personal digital keys safe
 

SUPER: Unknown Wi-Fi

Michelle Wai: What are you doing?

Carlos Chan: Just searching for Wi-Fi
 I'd like to transfer money to you
 with my bank's smartphone app

Michelle Wai: Don't use unknown Wi-Fi
 to access Internet banking services
 Otherwise, you could easily leak your digital keys
 like login name and password

SUPER: Digital Keys

Simon Yam: Your digital keys
 like account login, personal information
 and one-time password
 are as important as the keys to your home!
