

Hong Kong Monetary Authority
Online Drama “STEPS”

Episode 1

SUPER: STEPS Episode 1

Secretary: Let me show you around

Secretary: This is our new colleague’s resume
He is outstanding in many aspects
but is a bit over-confident
The Human Resources Department hopes you can train him up

Boss: Okay

Boss: Young man
Do you know what the HKMA’s daily work is?

Male Colleague: Yes, of course. We supervise the banking industry
promote the development of the financial market
take part in international forums and more
Trust me, I can manage this sort of work!

Boss: You’re right
But apart from what you have mentioned
printing banknotes and selecting security features
are also part of our work

Boss: Here are six \$1,000 banknotes
One of them is a counterfeit note
You now have three chances to identify it
If you can’t
I will arrange a tutorial for you this weekend

Male Colleague: I will have a ball game with my friends this weekend
You don’t need to ask your colleague to come back during the
weekend

Male Colleague: (Give me a test?)
(This is a set of 2018 Series Hong Kong Banknotes)
(I remember this is the first time that the banknotes’ thematic designs)
(for each denomination are standardized)
(to facilitate easy recognition by the public)

Boss: (There are six key security features)
(When the note is tilted)
(You will see the shimmering ring in the pattern moving
correspondingly)

Male Colleague: This one!

Boss: No

Boss: (Raised printing used)
(gives the banknotes a strong embossed feel by touch)
(and it can't be detected by sight)

Male Colleague: This one!

Boss: No

Boss: You have one chance left
I think you should tell your friends
that you'll have to work overtime this weekend
