

Electronic Bill Presentment and Payment Service
Radio Announcements in the Public Interests (API)

EBPP Service

Voice Over: From September 1, 2015, you can sign up for the Electronic Bill Presentment and Payment service, or EBPP, for bills issued by the Water Supplies Department, the Rating and Valuation Department and other billers through Internet banking. This allows you to receive, view, manage and pay different bills on a single platform. Register today and enjoy a hassle-free experience in e-Bill management.

Electronic Bill Presentment and Payment: One Platform for e-Bills!

Please contact your bank for enquiries.
