1. Before the Discount Window activities.

2. At market value.

3. There is a break in data series due to the inclusion of short-term Exchange Fund placements of less than one month since 1997.

4. Adjusted to include foreign currency swap deposits.

5. Trade weighted nominal effective exchange rate index.

6. HKAB HKD Interest Settlement Rates published by the Hong Kong Association of Banks.

7. Prior to July 2001 and October 1994 respectively, savings deposit and three-month time deposit rates refer to the maximum rates set by the Hong Kong Association of Banks. Thereafter they are based on the interest rates quoted by a number of major licensed banks.

8. Best lending rate quoted by the HSBC.

9. Prior to September 1998, the rate refers to Liquidity Adjustment Facility (LAF) offer rate.
