**8. Section 24 substituted**

Section 24-

**Repeal the section**

**Substitute**

**“24. Capital disclosures**

- (1) An authorized institution must disclose the following information regarding its capital base as set out in the returns relating to capital adequacy it submitted to the Monetary Authority pursuant to section 63 of the Ordinance in respect of the interim reporting period-
  - (a) a detailed breakdown of CET1 capital items, additional Tier 1 capital items, Tier 2 capital items and regulatory adjustments and deductions applied pursuant to [ ] of the Capital Rules to the capital base of the institution, showing which of these items are benefiting from the transitional provisions set out in [ ] to the Capital Rules.
  - (b) a full reconciliation of CET1 capital items, additional Tier 1 capital items, Tier 2 capital items and regulatory adjustments and deductions applied pursuant to [ ] of the Capital Rules to the capital base of the institution and the balance sheet in the published financial statements of the institution;
  - (c) a description of the main features of any CET1 capital instruments and additional Tier 1 capital instruments and Tier 2 capital instruments issued by the institution;
  - (d) the full terms and conditions of all CET1 capital instruments, additional Tier 1 capital instruments and Tier 2 capital instruments;
  - (e) separate disclosure of the nature and amounts of-
    - (i) each regulatory adjustment and deduction applied pursuant to [ ] of the Capital Rules (reported separately for CET1 capital, additional Tier 1 capital and Tier 2 capital, as the case requires); and

- (ii) items not deducted from CET1 capital pursuant to [ ] of the Capital Rules<sup>4</sup>;
  - (f) a description of all limits and minima applied to the calculation of the capital base of the institution in accordance with the Capital Rules and the instruments, regulatory adjustments and deductions to which those limits or minima, as the case may be, apply;
  - (g) where the institution discloses capital ratios calculated using elements of capital determined on a basis other than that laid down in the Capital Rules, a comprehensive explanation of the basis on which those capital ratios are calculated.
- (2) The Monetary Authority may specify standard disclosure templates<sup>5</sup> to be used by an authorized institution for the purposes of making any disclosure referred to in subsection (1)(a), (b), (c), (e) and (f).
  - (3) An authorized institution must either-
    - (a) include the standard disclosure templates applicable to its disclosures in the interim financial statements published by it; or
    - (b) provide a direct link, on its website, to the complete disclosure.
  - (4) An authorized institution must establish and maintain an archive of all capital disclosures made by it that relate to such former reporting periods as specified by the Monetary Authority<sup>6</sup>.
  - (5) Subject to subsection (6) and unless otherwise approved by the Monetary Authority, an authorized institution must make available on its website the full terms and conditions of all instruments included in its capital base.

---

<sup>4</sup> These relate to disclosures on the use of threshold limits in the deduction framework for capital investments in financial institutions.

<sup>5</sup> The standard disclosure templates will closely follow those set out in the *Composition of capital disclosure requirements* text released by the Basel Committee on Banking Supervision on 26 June 2012.

<sup>6</sup> The HKMA currently intends that the maintenance periods for capital disclosures referred to in section 24(1)(a), (b), (c), (f) and (g) will follow those specified under the existing section 6(8) of the Banking (Disclosure) Rules. For capital disclosures referred to in section 24(1)(c) and (d), the maintenance period should be taken as the remaining life of a capital instrument.

- (6) Whenever-
- (a) a new capital instrument is issued and included in an authorized institution's capital base; or
  - (b) there is a redemption, conversion or write down, or other material change, in the nature of a capital instrument included in an authorized institution's capital base,
- the institution must, as soon as is practicable, update the disclosures it has made under subsection (5) in order to take account of that new capital instrument, or that redemption, conversion or write down, or other material change, as the case may be.
- (7) An authorized institution must disclose the total amount of any relevant capital shortfall in any of its subsidiaries which are outside of the scope of regulatory consolidation.
- (8) Subject to subsections (9) and (10), an authorized institution must disclose its-
- (a) CET1 capital ratio;
  - (b) Tier 1 capital ratio; and
  - (c) Total capital ratio.
- (9) Where an authorized institution is required under [ ] of the Capital Rules to calculate its capital adequacy ratio on a consolidated basis, the institution must disclose, on a consolidated basis, its-
- (a) CET1 capital ratio;
  - (b) Tier 1 capital ratio; and
  - (c) Total capital ratio.
- (10) Where subsection (9) does not apply to an authorized institution, the institution must disclose, on a solo basis or solo-consolidated basis, as the case requires, its-
- (a) CET1 capital ratio;
  - (b) Tier 1 capital ratio; and
  - (c) Total capital ratio.

- (11) Where an authorized institution has earmarked part of its retained earnings for maintaining its regulatory reserve to satisfy the provisions of the Ordinance for prudential supervision purposes, the institution must disclose-
- (a) this fact; and
  - (b) the amount of retained earnings so earmarked.

- (12) In this section-

***relevant capital shortfall*** ( ), in relation to a subsidiary of an authorized institution —

- (a) which is a securities firm or insurance firm; and
- (b) which is not the subject of a consolidation requirement, imposed on the institution,

means that amount which is deducted from the institution's CET1 capital pursuant to [ ] of the Capital Rules.

**9. Section 32 amended (interpretation of Part 4)**

- (1) Section 32, definition of *cash flow hedge*-

**Repeal**

“section 35”

**Substitute**

“section 34D”.

- (2) Section 32, definitions of *forecast transaction* and *highly probable forecast transaction*-

**Repeal the definitions.**

- (3) Section 32, definitions of *long lease*, *medium-term lease* and *short lease*<sup>7</sup>-

**Repeal the definitions.**

**Substitute**

“*long lease* –

- (a) in relation to land in Hong Kong, means –
- (i) a lease the portion of the term for which it was granted remaining unexpired at the end of the financial year of the institution is not less than 50 years; or
  - (ii) a renewable Government lease the portion of the term for which it was granted remaining unexpired at the end of the financial year, when added to the term for which the lessee is entitled to renew the lease, amounts to a period of not less than 50 years from the end of that financial year of the institution; or
- (b) in relation to land outside Hong Kong, means a lease the portion of the term for which it was granted remaining unexpired at the end of the financial year of the institution is not less than 50 years;

---

<sup>7</sup> “Long lease, medium-term lease and short lease are terms which are currently defined in the Companies Ordinance. As these definitions may be removed during the rewrite of the Companies Ordinance exercise currently being undertaken by the Financial Services and the Treasury Bureau to update the Ordinance. we propose to create a definition for each of these terms under the BDR.

***medium-term lease –***

- (a) in relation to land in Hong Kong, means -
  - (i) a lease the portion of the term for which it was granted remaining unexpired at the end of the financial year of the institution is less than 50 years but not less than 10 years; or
  - (ii) a renewable Government lease the portion of the term for which it was granted remaining unexpired at the end of the financial year of the institution, when added to the term for which the lessee is entitled to renew the lease, amounts to a period of less than 50 years but not less than 10 years from the end of that financial year; or
  
- (b) in relation to land outside Hong Kong, means a lease the portion of the term for which it was granted remaining unexpired at the end of the financial year of the institution is less than 50 years but not less than 10 years”

***short lease -***

in relation to land inside and outside Hong Kong, means a lease which is neither a long lease nor a medium-term lease;”.

## **10. Section 33 amended (scope of consolidation)**

Section 33-

### **Repeal paragraph (a)**

### **Substitute**

- “(a) the basis of consolidation including-
- (i) an outline of the differences between the accounting scope of consolidation and the regulatory scope of consolidation;
  - (ii) a list of-
    - (A) the institution’s subsidiaries which are included within the accounting scope of consolidation but are not included within the regulatory scope of consolidation;
    - (B) the institution’s subsidiaries which are included within the regulatory scope of consolidation but are not included within the accounting scope of consolidation;
    - (C) the institution’s subsidiaries (if any) which are included within both the regulatory scope of consolidation and the accounting scope of consolidation where the methods of consolidation differ between those 2 scopes; and
    - (D) the institution’s subsidiaries in respect of which its shareholdings therein are deducted from the institution’s CET1 capital;
  - (iii) if subparagraph (ii)(C) applies, an explanation of the differences in the 2 consolidation methods mentioned in that subparagraph; and
  - (iv) a description of the principal activities of each of the subsidiaries mentioned in subparagraph (ii), including the amount of total assets and the amount of total equity reported on the financial statements of each subsidiary; and”.

## Explanatory Note

1. These Rules are made by the Monetary Authority under section 60A of the Banking Ordinance (Cap. 155) and amend the Banking (Disclosure) Rules (Cap. 155 sub. leg. M) (*principal Rules*).
2. The main purpose of the Rules is to incorporate into the principal Rules-
  - (a) revisions necessitated by the new disclosure requirements contained in the paper entitled “Composition of capital disclosure requirements” issued by the Basel Committee on Banking Supervision (*BCBS*) in June 2012;
  - (b) Pillar 3 disclosures (basically, the public disclosure of prudential information) specific for authorized institutions using the internal model approach to calculate capital requirements for counterparty credit risk exposures as set out in Table 8 (general disclosures for exposures related to counterparty credit risk) to the paper entitled “Conveyance of Capital Measurements and Capital Standards - A Revised Framework Comprehensive Version” issued by the BCBS in 2006;
  - (c) revisions necessitated by the amendments [to be] made to the Banking Ordinance by the Banking (Amendment) Ordinance 2012; and
  - (d) revisions necessitated by the amendments [to be] made to the Banking (Capital) Rules (Cap. 155 sub. leg. L) by the Banking (Capital) (Amendment) (No. 2) Rules 2012.
3. The Rules come into operation on 30 June 2013 except for section 3(7). That section comes into operation on 1 January 2014.
