Unknown Wi-Fi

SUPER: How important are digital keys?
Hong Kong Monetary Authority Logo

Michelle Wai: What are you doing?

Carlos Chan: Just searching for Wi-Fi
I'd like to transfer money to you
with my bank's smartphone app

Michelle Wai: Don't use unknown Wi-Fi
to access Internet banking services
Otherwise, you could easily leak your digital keys
like login name and password

Carlos Chan and Michelle Wai : Keep your personal digital keys safe

SUPER: Keep your personal digital keys safe
