

Electronic Cheque (e-Cheque) service
Radio Announcements in the Public Interests (API)

E-Cheque Service

Voice Over: Writing a cheque and depositing it at the bank can be time-consuming.

With the introduction of e-Cheques, you can sign, issue, deliver and deposit cheques online. e-Cheques allow you to make and receive cheque payments anytime, anywhere.

It's easy, fast and secure.

The e-Cheque service will be phased in by local banks starting from December 2015.

eCheques - the smart new way to pay!

Please contact your bank for details.
