DBS Bank (Hong Kong)

About the company

DBS, a leading financial services group headquartered in Singapore, operates across 18 markets. We are an Asia-centric commercial bank focused on harnessing the region's long-term potential as the centre of economic gravity shifts eastwards to Asia.

A frontrunner in digital transformation, we seek to deliver a new kind of banking that is so simple, seamless and invisible, that customers have more time to spend on the people or things they care about.

Internship Information

Internal Audit (Audit) strives to bring an independent voice of reason to provide the board, management and regulators with objective assurance, balanced perspective and insight, by being Productive, Proactive, Predictive and Preventive, to enable DBS to achieve its objectives.

Audit assists the board and executive management to meet the agreed strategic and operational objectives of the Bank. Audit achieves this by providing an independent appraisal of the adequacy and effectiveness of the risk management, control and governance processes in operation throughout the Bank.
