

# HSBC - Stream A

## About the bank

HSBC is one of the world's largest financial services organisations. Whether you are looking for a first job or taking the next step in your career, our global reach offers many ways for you to realise your ambitions.

At HSBC, our objective is to be the world's leading international bank. Since its formation in Hong Kong in

1865, the bank has helped to facilitate trade. Today our network covers 65 countries and territories in both established and emerging markets, making us well positioned for future growth as the world economy becomes more connected and trade and capital flows increase.

Growth & Innovation, Commercial Banking

**Internship Duration:** 6 months

**Internship Period:** Between July and December 2020

## Intern's Job Description

### Job Duties:

- Assist leading strategic growth and innovation initiatives across Commercial Banking in Asia.
- Working with key stakeholders across countries and functions.
- Stay abreast of market and competitive developments, and explore the application of new technologies to enhance our client offering.
- Shepherding client deals and coordinating delivery across multiple countries.
- Example projects include development of our digital offering for business banking clients and rollout of our Association of Southeast Asian Nations plans.
- Constantly evaluate emerging technologies and developing opportunities to see how best they can affect and change the organization.

### Requirements:

Education Background:

- Second or penultimate-year undergraduate students
- All disciplines welcome

Language Proficiency:

- Good command of written and spoken English

Others:

- Able to adapt quickly and able to interpret complex information across business and technology.
- Well-developed communication skills, with the ability to interact effectively with people at all levels.
- Strong interpersonal, analytical, presentation and communication skills.
- Good understanding of the financial services industry globally and key trends, particularly in trade and innovation.
- All candidates must complete a series of online assessments as part of the HSBC evaluation process.
