

## WeLab Bank

### About the company

WeLab aims to bring joy to everyone's financial journey. We strive to improve people's lives by reinventing financial services through game-changing technology. We put our people first, whether it's our customers or our employees.

As the only homegrown Hong Kong fintech to receive a virtual banking license, we aim to reinvent and redefine the banking experience by building a bank we love.

We are an energetic and passionate team that can deliver and execute. We are looking for other intellectually curious, open-minded and smart-working individuals who are just as passionate as we are about making financial services enjoyable. Now you have the opportunity to join us on our journey to achieve our vision and be part of building a better financial future for everyone.
