

The Hongkong and Shanghai Banking Corporation Limited

About the company

HSBC is one of the world's leading international banks. Whether you are looking for a first job or taking the next step in your career, we offer many ways for you to realise your ambitions. Come and work with us and you'll have opportunities to make connections all over the world and help build the bank for the future.

Internship Information

What to expect

Supported by experienced managers, colleagues and a wide network of diverse peers, you'll be encouraged to take on responsibility and bring new ideas to the table. You will be valued as an individual and for the contribution you make.

Work placements generally last around six months and may be eligible for credit equivalencies, subject to university requirements.

You can expect practical experience that will complement your academic studies, embedding our values while growing your career. During the placement, you will be challenged to use your talents and academic knowledge to add value to the bank and improve your professional and personal skills.

Learning, development and support

The placement will equip you with the skills and experience required to start a successful career with HSBC, as well as the opportunity to develop your professional network with colleagues around the world.

You will have the opportunity to build your skills and banking knowledge in a real working environment and to take on responsibilities in a selection of interesting projects.

Name of Department(s) offering internship positions:
