To partner with MPF trustees to raise public awareness

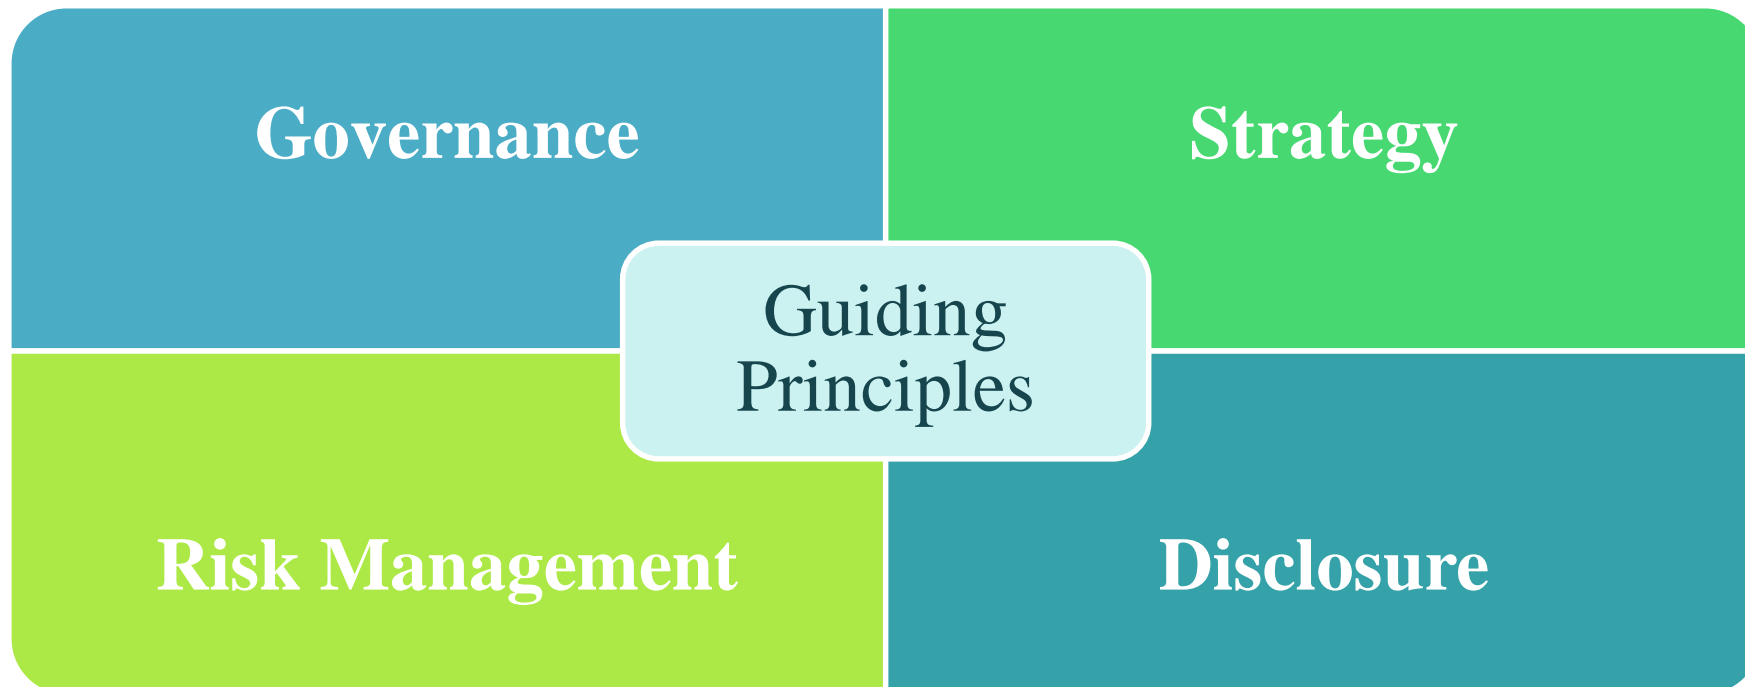

# Principles for Adopting Sustainable Investing in Investment And Risk Management Processes of MPF Funds (Principles)

- Issued guiding principles to MPF trustees for adopting ESG integration

# Guiding Principles

## Governance

MPF trustee should have a governance framework to monitor management of ESG risks by investment managers

## Strategy

MPF trustee should formulate an ESG integration strategy at the MPF scheme level

## Risk Management

MPF trustee should ensure consideration of ESG factors in investment and risk management of MPF funds

## Disclosure

MPF trustee should disclose ESG integration strategies and report implementation progress regularly
