(3) Jurisdictions under Increased Monitoring

The FATF has issued an updated statement on “Jurisdictions under Increased Monitoring”. The statement can be found at: <https://www.fatf-gafi.org/en/publications/High-risk-and-other-monitored-jurisdictions/Increased-monitoring-october-2023.html>.

FATF Plenary meeting, 25-27 October 2023

The outcomes of the FATF Plenary meeting were published on the FATF website and can be found at: <https://www.fatf-gafi.org/content/fatf-gafi/en/publications/Fatfgeneral/outcomes-fatf-plenary-october-2023.html>. In particular, the FATF adopted amendments to Recommendation 8 and finalised the updated Best Practices Paper on Combating the Abuse of Non-profit Organisations, which will be published in the coming weeks, to assist jurisdictions and the private sector to implement the revised requirements. SVF licensees should refer to the range of initiatives set out in the Best Practices Paper to support access of legitimate non-profit organisations to financial services.

Separately, the FATF adopted a report on Illicit Financial Flows from Cyber-Enabled Fraud. The report, which will be published soon, highlights successful national operational responses and strategies in tackling cyber-enabled fraud, as well as risk indicators and useful anti-fraud requirements and controls to help jurisdictions and the private sector detect and prevent cyber-enabled fraud and related money laundering. SVF licensees are reminded to also refer to the HKMA circular issued on 12 October 2023 on the enhanced approaches to combat digital fraud in the Hong Kong context.

Yours faithfully,

Carmen Chu  
Executive Director (Enforcement and AML)
