Introduction

1. In April 2025, the Hong Kong Monetary Authority (**HKMA**) and Securities and Futures Commission (**SFC**) issued a joint consultation paper (**Consultation Paper**) on the annual update to the list of Financial Services Providers (**FSP List**) under the Clearing Rules for over-the-counter (**OTC**) derivative transactions¹.
2. The FSP List includes entities that meet the following two criteria:
 - (a) They belong to a group of companies appearing on the list of global systemically important banks (**GSIBs**) published by the Financial Stability Board, or on the list of dealer groups which undertook to the OTC Derivatives Supervisors Group to work collaboratively with central counterparties, infrastructure providers and global supervisors to continue to make structural improvements to the global OTC derivatives markets (**G15-dealers**); and
 - (b) They are clearing members of the largest central counterparties offering clearing for interest rate swaps in the US, Europe, Japan and Hong Kong (**IRS CCPs**).
3. The deadline for submitting comments on the update to the FSP List was 16 May 2025. We received a total of three submissions. A list of respondents is set out in [Appendix A](#) and their comments (unless requested to be withheld from publication) can be viewed on the websites of the [HKMA](#) and [SFC](#).
4. This consultation conclusions paper (**Conclusions Paper**) should be read together with the Consultation Paper.

Annual Update to the FSP List

5. In the Consultation Paper, we proposed to include Morgan Stanley Bank, N.A. in the revised FSP List. This is because, as a group member of Morgan Stanley (a GSIB and G15-dealer) and as a clearing member of an IRS CCP, Morgan Stanley Bank, N.A. has met the above two criteria as a Financial Services Provider (**FSP**).
6. We also explained in the Consultation Paper that, to reduce the risk of regulatory arbitrage, our policy has been to keep on the FSP List any GSIB or G15-dealer member entity which is no longer a clearing member of any IRS CCPs, unless no entity within the group is a clearing member of an IRS CCP

¹ The current clearing regime, as set out in the Securities and Futures (OTC Derivative Transactions – Clearing and Record Keeping Obligations and Designation of Central Counterparties) Rules (Clearing Rules), covers transactions in standardised interest rate swaps in G4 currencies (ie, US dollar, Euro, British pound and Japanese yen) and Hong Kong dollar between major dealers, where at least one of them is a prescribed person (ie, an authorized institution, an approved money broker or a licensed corporation). To identify major dealers that are outside of Hong Kong, the concept of Financial Services Providers was introduced.

any longer, or we receive a submission from the entity indicating that, given a permanent change in its business model, it no longer conducts OTC derivative transactions. Further, it has been our approach that, once an entity is included in the FSP List and remains a clearing member of an IRS CCP, it will continue to be on the FSP List even if the group it belongs to is no longer a GSIB, unless we receive a submission that the group has undergone a permanent change of its business model or has exited the OTC derivatives sphere. This is because the group's former GSIB status is an indication that its level of OTC derivative activities could still be substantial. We have therefore included remarks on these entities that remain in the proposed revised FSP List in the annex to the Consultation Paper.

7. We received three responses to the Consultation Paper. Two respondents had no comments on the proposed revision to the FSP List as set out above. One respondent indicated support for the regular update of the FSP List. Accordingly, the draft revised FSP List set out in the annex to the Consultation Paper is to be adopted as the final updated FSP List as set out in [Appendix B](#).

Concluding Remarks and Next Steps

8. We take this opportunity to thank those who took the time and effort to comment and assist us in the annual update to the FSP List.
9. Following our established approach for this annual update, we will gazette the updated FSP List in [Appendix B](#) during the fourth quarter of 2025 for implementation on 1 January 2026.
