

**Hong Kong Monetary Authority**  
**“Four Faces of Talents in Central” Video Series**

**Drama Video 1 - Stuck in the Lift with Boss**

Super: Among the four faces of talents in Central  
which one is most like you?  
Sticky situation  
Stuck in the lift with boss

Stuck in the lift with boss  
Logical and Analytical Type

Main Character: It is just the first floor  
There are 55 more floors to get to the office  
Data tells the truth!  
If I have to say a sentence every two floors  
that means I have to say at least 27.5 sentences to boss  
According to statistics  
the average person says four words per second  
Deducting the time for thinking  
I have 2.58 seconds left to speak!

Super: Don't talk to me  
please don't talk to me

Main Character: Good morning, boss

Boss: Huh?

Super: Stuck in the lift with boss  
Visionary Type

Main Character: Hello, boss

Boss: Hello

Main Character: Hi  
I happen to have something to talk to you about

Super: It's you again

Main Character: I watched the news this morning  
and saw the latest report on green and sustainable finance projects  
To save the earth  
start green investments as early as possible!  
To promote urban development while conserving wildlife  
we can consider investing in these overseas projects  
My proposal is almost ready

Super: Are you done?

Main Character: If I can get everyone to take a small step for environmental protection  
that will be a big step for protecting the earth!

Super: Please be finished soon  
Leave me alone

Main Character: Act now, treasure resources  
let us take the stairs, come on this way

Super: Stuck in the lift with boss  
Tech-savvy Type

Main Character: Wait  
Boss

There is nothing to worry about  
when you have the “Conversation Starter” mobile app!

Boss, I have recently researched some information  
We always refer to Fintech ABCD when talking about Fintech  
for example, A for Artificial Intelligence  
Face recognition is applied in many areas  
Oh boss, you look so handsome  
Let us take a selfie

Boss: Remember to add me as a friend and tag me

Super: Stuck in the lift with boss  
Observant Type

Boss: There is a lot of traffic out there

Main Character: It is all because it is Central

Boss: You are a very caring person  
No wonder Dr. Smith in the United Kingdom is happy with your proposal  
and decided to set up his family office in Hong Kong

Main Character: Boss is holding a briefcase in his right hand  
Documents in his left hand  
There are beads of sweat on his forehead  
The key must be in the details

Super: Briefcase - heavy workload  
Documents - ready for a meeting  
Glancing at watch - in a rush  
Beads of sweat - feeling anxious

Main Character: He probably rushed to work  
and has many urgent tasks to deal with  
This is for you to wipe the sweat

Boss: Thank you

Main Character: And your tie  
Are you in a hurry for the meeting?  
I will take it from here

Boss: Thank you

Main Character: How would you react when meeting boss in a lift?

Super: Logical and Analytical Type  
Visionary Type  
Tech-savvy Type  
Observant Type

Main Character: Which faces of talents in Central do you resemble most?

Super: Which type are you?

Main Character: To learn more from our detailed analysis
