

Hong Kong Monetary Authority
“STEPS” Spin-off Video

Episode 6

SUPER: HKMA x Hong Kong x IFC

SUPER: Leonard Tso
Senior Manager
Banking Conduct Department

Leonard: The HKMA participates actively in multilateral institutions and international forums and co-operates with other central banks with the objective of facilitating international and regional information exchange and experience sharing and keeping Hong Kong at the forefront of financial and market developments

SUPER: Participation in international conferences

Leonard: By taking part in important international forums the HKMA becomes more effective in aligning its policy development with international standards and reinforces investors' confidence in Hong Kong's status as an international financial centre

SUPER: Policy alignment with international standards

Leonard: Apart from maintaining the stability of the financial and banking system the HKMA also promotes the development of the financial market to attract international financial institutions to expand their presence in Hong Kong

SUPER: Attract international financial institutions to expand their presence in Hong Kong

Leonard: For example, encouraging multinational corporations to set up corporate treasury centres family offices and other businesses in Hong Kong so as to bring more employment opportunities to the city

Leonard:

Looking ahead

Hong Kong will continue to participate actively in multilateral institutions and international forums to strengthen its advantageous position as a leading international financial centre

SUPER:

The logo of the Hong Kong Monetary Authority, which is a square containing the text "Hong Kong Monetary Authority Logo".
