

**Dah Sing Bank, Limited**

**Enabled easy account opening and comprehensive banking services for SMEs**

To address the account opening and business needs of local companies, as well as small and medium-sized enterprises (SMEs), Dah Sing Bank launched "328 Business Banking" which enables easy account opening and all-encompassing banking services. Customers of "328 Business Banking", to whom the bank is committed to providing unparalleled support and quality business services, can enjoy a wide range of business services, including deposits, loans, receivables, business credit cards, etc.

Product features:

1. Easy account opening – Submit an online application form and upload documents for initial processing before meeting with us
2. Business e-Banking – Manage your business anytime, anywhere via our secure self-service administration platform
3. Value-added business service package – 328 Business Account
