

**Bank of China (Hong Kong) Limited**

**Enhancement on the account opening support to overseas companies**

Subsequent to the extension of business banking services across its branch network of around 200 branches in 2016, Bank of China (Hong Kong) further launched a series of enhanced services to fulfill the banking needs of overseas companies and support them to start business in Hong Kong in 2017. Enhanced services are as follow:

- i. Newly established a 24-hour enquiry hotline for overseas companies (+852 3988 2195)
- ii. Newly established an information webpage about account opening for overseas companies ([www.bochk.com/se](http://www.bochk.com/se) > "Account Opening Request (Overseas Companies)")
- iii. Newly created online chat to answer overseas companies' inquiries on a timely basis
- iv. Set up a designated branch to handle overseas account opening request (Bank of China Tower branch, 1 Garden Road, H.K.) and launched pre-screening services of required documents
