

Standard Chartered Bank (Hong Kong) Limited
Here to support SMEs

Small and Medium-sized Enterprises (SME) clients are managed by Business Banking at Standard Chartered, a set-up which caters specifically for SMEs. We ensure your accounts and needs are handled by Business Banking staff who truly understand SMEs, and have the specialized knowledge across account opening, financing, trade services, and etc.

We give our attention to details in helping SME clients open bank accounts. Your documents required for account opening can be submitted for our pre-vetting before coming to the face-to-face meeting. Our frontline staff is paired with back office teams for work efficiency. Case progress is monitored to ensure that turnaround time is optimized, and you will be kept informed from our colleagues and by written notifications. No application will be rejected without escalating for review by senior staff, and we also provide mechanism for appeal if needed. Our experience has shown that this set up for account opening is working well for our customers, from local to overseas companies, and from established business to start-up.

Standard Chartered also supports SMEs on financing for your working capital needs. Our products are carefully designed with simple requirements that suit SMEs like you.
