

Airstar Bank Launches “Streamlined Corporate Account” With Account Opening in 48 Hours at the Earliest³

From August 2023, **Airstar Bank** (hereafter referred to as "the Bank"), a virtual bank in Hong Kong, officially launched its Stellar Corporate Banking Services, further expanding its diverse services to various customers and supporting inclusive finance in Hong Kong.

Airstar Bank understands the need for efficiency that SMEs have when opening accounts. Therefore, the Bank has specifically developed the "Streamlined Corporate Account" for SMEs registered and operating in Hong Kong. This initiative aims to deliver a quick, convenient, and effective account opening experience. By streamlining the process, the Bank has eliminated the need for traditional face-to-face meetings¹, allowing businesses to apply remotely and no requirement for business proof², thereby significantly reducing the time it takes to open an account. The Bank is able to open accounts for businesses within 48 hours at the earliest³, swiftly addressing the immediate operational needs of businesses at the outset.

The "Streamlined Corporate Account" offers services that include:

- Multi-currency savings account⁴, accommodating HKD, USD, and CNY, which caters to the multi-currency transactional needs of businesses.
- Local fund transfer services that ensure corporate funds remain liquid, thus boosting operational efficiency.
- No account management fees, which lighten the financial load for SMEs.
- No minimum balance requirement, offering increased financial agility.
- Extra low minimum initial time deposit from HKD 1,000, catering to the varied deposit needs of businesses.

We are dedicated to providing SMEs with broad and adaptable financial support through the "Streamlined Corporate Account," assisting them in the efficient management of their finances and the advancement of their business operations.
